

HELLO,

As both the mother of an allergic child and a professional chef, I discovered the need for high quality, nut-free products. In response to this need, I developed NutFree Gourmet cookie dough.

Exhaustive market research has verified every one of our ingredients is 100% NUT-FREE and of the highest quality available.

We use only creamy butter, pure chocolate, farm fresh eggs and the finest ingredients. We feel that with NutFree Gourmet cookie dough, we have created an exquisite product without equal in the marketplace. We're sure you'll agree that these delicious cookies are some of the best you have ever tasted.
